To whom it may concern:

It is my great pleasure to write this letter of recommendation for Ms. Tosha Cook Humphrey. I have known Ms. Humphrey as a student in reading methods and residency courses and field work at the University. I have found her work to be exceptional. She constantly creates environments and lessons for children that are engaging and motivating. She consistently exceeds expectations for assignments by going above and beyond. I am very impressed with her commitment to diverse learners and multicultural education. She is particularly gifted in handling difficult situations with grace and professionalism. Ms. Humphrey brings a wealth of life experiences to the classroom that would be an asset to any faculty. Her enthusiasm for teaching and her easy rapport with children are evident in both her lesson plans and interactions with children. It is without hesitation that I recommend Ms. Tosha Cook Humphrey to you. Please feel free to contact me at kpennycuff@tntech.edu to discuss the outstanding qualities of Ms. Humphrey further.

Sincerely,

Dr. Kristen Pennycuff Trent

Associate Professor, Curriculum and Instruction
