To Whom It May Concern:

Tosha Humphrey worked at Ritta Elementary School this year as a second grade teacher. I serve as a TAP Master Teacher at Ritta; and one responsibility of mine within that position was to provide Tosha with weekly support in the form of weekly observations and co-teaching opportunities when needed. I also served as an evaluator on two of Tosha's four evaluations.

Tosha is a hard working, dedicated individual. She works each day to organize lessons that will be meaningful for her students. Tosha is stern and direct with her students, but as a result they understand and attempt to follow through on expectations. If you have any further questions about Tosha Humphrey, feel free to contact me at (865) 689-1496, or email me at the address listed below.

Sincerely,

Michelle Wolfenbarger
TAP Master Teacher
